

School of Business Management and Finance (SBMF)

The School of Business Management and Finance (SBMF) has a clear vision to be a leading Management School in Mauritius and the region.

It delivers quality education, training, research and consultancy in key areas of Public Policy and Management, Public Administration, Human Resource Management, Financial Management, Business Administration, Banking and International Finance and Communication. Presently the School has more than 700 students enrolled on its full-time and part-time programmes which are delivered by more than 70 highly qualified full-time and part-time academic staff. The School's staff are outward-looking and have developed strong links with the local and national business and management communities, as well as with foreign institutes of international repute. These communities reciprocate through their enthusiastic support for the School which has a strong culture of sharing. The range of formal and informal opportunities for interchange contributes to encouraging interaction and mutual support.
