

Graduate Degrees at UT

Graduate degrees are available in about a hundred academic areas at The University of Texas at Austin. This list is organized by colleges and includes types of degrees and majors available, dual degree programs, and portfolio programs.

- Degree options and requirements DO change so we recommend using this list as a starting point and then consulting with graduate advisors and coordinators for the individual degree programs to get the most up-to-date details.
- Visit www.utexas.edu/ogs/degree_programs/ for program descriptions and contact information for graduate advisors and coordinators.
- Make an appointment at the **Career Exploration Center** for individualized assistance with graduate school decisions and the graduate school application process.

SCHOOL OF ARCHITECTURE

Architecture

Master of Architecture (1st professional)

- Historic Preservation
- Urban Design
- Sustainable Design

Master of Architecture (post professional)

- Historic Preservation
- Urban Design
- Sustainable Design
- Advanced Architectural Design and Theory

Master of Arts (prereq for PhD in architectural history)

- Architectural History
- Architectural Studies

Master of Science in Architectural Studies

- Architectural (Design) Theory
- Interdisciplinary Studies

Master of Science in Historic Preservation

Master of Science in Sustainable Design

Master of Science in Urban Design

PhD in Architecture

- Architectural History (MA required)
- Historic Preservation

Community and Regional Planning

Master of Science in Community & Regional Planning

PhD in Architecture

One of the following Specializations required

- Economic and Community Development
- Environmental & Natural Resources Planning
- Historic Preservation

- Housing
- Land Use and Land Development
- Transportation
- Urban Design

Dual Degree Program

- MSCR/ Master of Public Affairs
- MSCR/ Master of Arts in Latin American Studies
- MSCR/ Doctor of Jurisprudence (Law)
- MSCR/ PhD in Geography

Landscape Architecture

Master of Landscape Architecture (1st professional)

Master of Landscape Architecture (post professional)

RED MCCOMBS SCHOOL OF BUSINESS

Accounting

Master in Professional Accounting

- Financial Reporting and Assurance
- Managerial Accounting & Control
- Taxation
- Generalist

Master of Science in Accounting

PhD in Accounting

Business Administration

MBA General

MBA with a Concentration

- Accounting
- Finance
- Information, Risk & Operations Management
- Management
- Marketing

MBA with a Specialization

- Finance
 - *Corporate Finance*
 - *Investment Management*
 - *Energy Finance*
 - *Real Estate Finance*
 - *Private Equity Finance*
- Information, Risk & Operations Management
 - *Information Management*
 - *Operations Management*
 - *Supply Chain & Operations*
- Marketing
 - *Brand Management*
 - *Strategic Marketing*
 - *Customer Insight*
- Interdisciplinary
 - *Social Enterprise*
 - *Entrepreneurship*
 - *Global Business*

Dual Degree Programs

- *MBA/JD (Law)*
- *MBA/MPA (Master of Public Affairs)*
- *MBA/MA in College of Communication*
 - MA in Advertising
 - MA in Communication Studies
 - MA in Journalism
 - MA in Radio/Television/Film
- *MBA/MA in Latin America Studies*
- *MBA/MA in Middle Eastern Studies*
- *MBA/MA in Asian Studies*
- *MBA/MA Russian, East European, & Eurasian Studies*
- *MBA/MSE (Master of Science in Engineering in Manufacturing Systems)*
- *MBA/MSN (Master of Science in Nursing)*

Finance

PhD in Finance

- Corporate Finance
- Investments
- Financial Intermediaries
- International Finance
- Real Estate

Information, Risk and Operations Management

PhD Concentrations

- Information Systems
- Risk Analysis and Decision Making
- Supply Chain & Operations Management

Management

PhD in Management

- Organization Science
- Strategic Management

Marketing

PhD in Marketing

- Buyer Behavior
- Marketing Management
- Quantitative Methods

COLLEGE OF COMMUNICATION

Advertising

Master of Arts

- Texas Media
- Texas Creative Program
- Texas Interactive Sequence

PhD in Advertising

Dual Degree Programs

- *MA in Advertising/MBA*
- *MA in Advertising/MPA (Master of Public Affairs)*

Communication Sciences and Disorders

Master of Arts

- Speech/Language Pathology
- Audiology
- Deafness Studies/Education of the Deaf
- Speech and Hearing Science

Doctor of Audiology

PhD in Communication Sciences and Disorders

Communication Studies

Master of Arts

- Interpersonal Communication
- Organizational Communication
- Rhetoric and Language Studies

PhD in Communication Studies

Concentrations same as MA

Dual Degree Programs

- *MA/MA with a major in Latin American Studies*
- *MA/MBA*
- *MA/Master of Public Affairs (MPA)*

Journalism

Master of Arts

- Research & Theory
- Professional

PhD in Journalism (research degree in Mass Comm)

Dual Degree Programs

- *MA/MA with a major in Latin American Studies*
- *MA/MA with a major in Middle Eastern Studies*
- *MA/MBA*
- *MA/MPA*

Radio-Television-Film**Master of Arts in Media Studies**

- Ethnic and Minority Issues and the Media
- Gender and Sexuality Issues and the Media
- International Communication Issues
- Media History and Criticism
- Critical and Cultural Studies
- Technology, Culture, and Society

Master of Fine Arts in Production and Screen Writing

- Film, Video, and Digital Media Production
- Writing for Film and Television

PhD in Media Studies**Dual Degree Programs**

- *MA in RTF and Latin American Studies*
- *MA in RTF and Middle Eastern Studies*
- *MA in RTF and Russian/East European/Eurasian Studies*
- *MA in RTF and MBA*
- *MA in RTF and Public Affairs*

COLLEGE OF EDUCATION**Curriculum and Instruction****MA, MEd, EdD, PhD**

- Curriculum Studies
- Language and Literacy

MA, MEd, PhD

- Bilingual/Bicultural Education
- Cultural Studies in Education
- Early Childhood Education
- Instructional Technology
- Physical Education Teacher Education

MA, MEd

- General Studies

PhD in Social Studies Education**Educational Administration****MEd, EdD, PhD**

- Community College Leadership
- Higher Educational Administration
- Public School Executive Leadership Specializations
 - *Cooperative Superintendency*
 - *Educational Policy and Planning*
 - *Principalship*

Educational Psychology**Masters Programs**

- Counselor Education (MEd)
 - *School Counseling*
 - *Community College and Higher Education Counseling*
- Academic Educational Psych. (MA/MEd)

PhD Programs

- Counseling Psychology
- School Psychology
- Learning, Cognition and Instruction
- Human Development and Education
- Quantitative Methods

Foreign Language Education**MA, PhD**

- Applied Linguistics
- English as a Foreign/Second Language
- Foreign Language Education

Kinesiology and Health Education**MA, MEd, EdD, PhD**

- Exercise Physiology
 - *Sports Science and Nutrition*
 - *Clinical Exercise Physiology*
 - *General Exercise Physiology*
- Exercise and Sport Psychology
- Health Education
 - *PhD, EdD, MA, MEd w/Specialization in Health Promotion*
 - *PhD w/Specialization in Behavioral Health*
- Interdisciplinary Sports Studies
- Movement Science
 - *Biomechanics*
 - *Motor Control and Learning*
 - *Physical Development and Aging*
- Sport Management

Science and Mathematics Education

MA, MEd, PhD

Special Education

MA, MEd, EdD, PhD

- Autism and Developmental Disabilities
- Early Childhood Special Education
- Learning Disabilities/Behavior Disorders
- Multicultural Special Education
- Rehabilitation Counselor Program
- Special Education Admin. (EdD, PhD only)

COCKRELL COLLEGE OF ENGINEERING

Aerospace Engineering

Master of Science in Engineering (MSE)

- Aerothermodynamics and Fluid Mechanics
- Solids, Structures, and Materials
- Structural Dynamics
- Guidance and Control
- Orbital Mechanics

PhD in Aerospace Engineering

Concentrations same as MS

Architectural Engineering

- Master of Science in Engineering (MSE)
- Construction Engineering and Project Management
- Construction Materials
- Building Environmental Systems
- Structural Engineering

Biomedical Engineering

Master of Science in Engineering (MSE)

- Biomedical Imaging and Instrumentation
- Cellular and Biomedical Engineering
- Computational Biomedical Engineering
- Instrumentation

PhD in Biomedical Engineering

Specializations same as MS

Dual Degree Program

- *PhD in Biomedical Engineering/Doctor of Medicine*

Chemical Engineering

Master of Science in Engineering

- Biochemical and Biomedical Engineering
 - *Protein Engineering*
 - *Fermentations*
 - *Genetic Engineering Technology*
 - *Mammalian Tissue Culture*

- *Biomaterials*
- *Biosensors*
- *Cell and Tissue Engineering*
- *Virus Removal from Blood*
- *Hemodialysis*
- Chemical Engineering Fundamentals
 - *Kinetics and Catalysts*
 - *Thermodynamics*
 - *Transport Phenomena*
- Energy Resources
 - *Secondary and Tertiary Oil Recovery*
 - *Flow Processes in Porous Media*
 - *Acid Gas Treating*
- Environmental Engineering
 - *Air Pollution Modeling and Control*
 - *Atmospheric Chemistry*
- Materials and Processes for Microelectronics
 - *Plasma Processing*
 - *Etching*
 - *Chemical Vapor Deposition*
 - *Selective Laser Sintering*
 - *Supermolecular Self-Assembly and Organization*
 - *Colloidal Systems*
 - *Mesosopic Materials*
- Meso & Molecular- Scale Modeling/Simulation
 - *Statistical/Micromechanical Modeling & Monte Carlo, Brownian, & Molecular Dynamics Simulations of Reactions*
 - *Complex Fluids*
 - *Polymers*
 - *Biological Molecules*
- Polymer Engineering
 - *Synthesis*
 - *Processing*
 - *Reaction Injection Molding*
 - *Properties (with specific emphasis on blends, transport, and thermodynamic behavior)*
 - *Membranes*
 - *Microelectronics*
 - *Thin Film*
 - *Composition*

- Process Engineering
 - *Chemical Reaction Engineering and Catalyst Development*
 - *Optimization*
 - *Process Simulation, Dynamics, and Control*
 - *Fault Detection, Rheology, and Simulation of Suspensions*
- Separations
 - *Membrane Separations*
 - *Distillation*
 - *Absorption*
 - *Supercritical Extraction*
- Other Areas
 - *Aerosol Physics and Chemistry*
 - *Surface Phenomena*
 - *Crystal Chemistry and Physical Properties*
 - *Electrochemistry*
 - *Electronic and Optical Materials*
 - *Electrical and Impedance Tomography*

PhD in Chemical Engineering

Specializations same as MS

Civil Engineering

- Architectural Engineering
- Construction Engineering and Project Management
- Geotechnical Engineering
- Construction Engineering and Project Management
- Environmental and Water Resources Engineering
- Geotechnical Engineering
- Ocean Engineering
- Structural Engineering
- Transportation Engineering

PhD in Civil Engineering

Specializations same as MS

Dual Degree Program

- *MS in Engineering/Master of Public Affairs*

Electrical and Computer Engineering

Master of Science in Engineering

- Biomedical Engineering
- Computer Engineering
- Computer Architecture and Embedded Systems
- Electromagnetics and Acoustics
- Energy Systems
- Manufacturing Systems Engineering
- Plasma/Quantum Electronics and Optics
- Solid- State Electronics
- Communication, Networks, and Systems
- Software Engineering
- Intergrated Circuits and Systems

PhD in Electrical and Computer Engineering

Areas of Study same as MS

Materials Science and Engineering

Master of Science in Engineering

- Synthesis
- Characterization
- Structure and Properties
- Thermodynamics and Kinetics
- Processing
- Performance of ceramic, electronic, ionic, magnetic, metallic, optical, polymeric, and structural materials

PhD in Materials Science and Engineering

Areas of study same as MS

Mechanical Engineering

Master of Science in Engineering

- Acoustics
- Biomechanical Engineering
- Dynamic Systems and Control
- Manufacturing and Decision Systems Engineering
- Manufacturing and Design
- Materials Engineering
- Nuclear and Radiation Engineering
- Thermal/Fluid Systems

PhD in Mechanical Engineering

Areas of Study same as MS

Dual Degree Program

- *MS in Engineering/MBA*

career exploration center
your future in focus

Operations Research and Industrial Engineering

Master of Science in Engineering

- Forecasting
- Project Management
- Production Planning and Control
- Scheduling
- Reliability

PhD in Operations and Industrial Engineering

Concentrations same as MS

Petroleum Engineering

Master of Science in Engineering

- Computational Geosystems Engineering
- Drilling Engineering
- Environmental and Geosystems Engineering
- Formulation Evaluation
- Petroleum Economics
- Production Engineering
- Reservoir Engineering

PhD in Petroleum Engineering

Specializations same as MS

COLLEGE OF FINE ARTS

Art Education

Master of Arts

- Teaching at the Elementary & Secondary Level
- Art Museum Education
- Community-based Art Education

Art History

Master of Arts

- General Art History
- Ancient (Western & Non-Western)
- Medieval to Early Modern Art History
- Modern Art History

PhD in Art History

Design

Master of Fine Arts in Design

Music

Master of Music

- Performance
 - *Conducting*
 - *Opera*
 - *Voice*
- Composition
- Musicology

- Ethnomusicology
- Theory
- Music and Human Learning
- Literature and Pedagogy

PhD in Music

- Ethnomusicology
- Music and Human Learning
- Musicology
- Music Theory

Doctor of Musical Arts (DMA)

- Performance
 - *Conducting*
 - *Opera,*
 - *Chamber Music/Collaborative Arts*
 - *Voice pedagogy emphases*
- Composition
- Music and Human Learning
 - *Conducting*
 - *Piano*
 - *Pedagogy Emphases*

Studio Art

Master of Fine Arts

- Drawing and Painting
- Sculpture
- Printmaking
- Photography
- Transmedia
- Ceramics
- Metals

Theatre and Dance

Master of Arts (Theatre)

- Performance as Public Practice
- Teacher Training

Master of Fine Arts (Theatre and Dance)

- Theatre
- Acting
- Drama Theatre for Youth
- Directing
- Performance as Public Practice
- Playwriting
- Theatre Technology
- Theatrical Design
- Dance

PhD in Theatre

- Performance as Public Practice

JACKSON SCHOOL OF GEOLOGICAL SCIENCES**Energy and Earth Resources**

Master of Arts

Dual Degree Program

- MA/MPA*ff* (Master of Public Affairs)

Geological Sciences

Master of Arts

- Sedimentary Depositional Systems
- Hydrogeology
- Climatology
- Structural Geology
- Regional Tectonics
- Seismology
- Paleomagnetism
- Seismic Reflection and Refraction
- Isotope and Aqueous Geochemistry
- Sedimentary Geochemistry
- Geomicrobiology
- Igneous, Sedimentary, and Metamorphic Petrology
- High- Temperature Geochemistry
- Ore Deposits and Industrial Mineral Resources
- Vertebrate and Invertebrate Paleontology

Master of Science in Geological Sciences

Areas of Study same as MA

PhD in Geological Sciences

*Areas of Study same as MA***SCHOOL OF INFORMATION****Information Studies**

Master of Science in Information Studies

- Information Architecture
- Librarianship
- Preservation of the Cultural Record

PhD in Information Studies

*Areas of Study same as above**Certificate Programs also available*

Dual Degree Programs

- MS/MA in Middle Eastern Studies
- MS/MA in Women and Gender Studies

COLLEGE OF LIBERAL ARTS**American Studies**

Master of Arts

- American Intellectual, Cultural, Artistic Life
- Race, Ethnicity, and Gender
- Cultural Geography and Material Culture
- The Public Arts and Popular Culture
- The West and its role in American Culture

PhD in American Studies

*Concentrations same as MA***Anthropology**

Master of Arts

- Physical Anthropology
- Archaeology
- African Diaspora; Mexican-American Borderlands; and Activist Anthropology
- Folklore and Public Culture
- Linguistic Anthropology
- Social Anthropology (emphases in North, Central, and South America, Micronesia, South and Southeast Asia, Europe, the Middle East, and Africa).

PhD in Anthropology

*Concentrations same as MA***Asian Studies**

Master of Arts

- Regional Concentration on Asia

Master of Arts (in Asian Cultures and Languages)

- Chinese Language and Literature
- Hindi Language and Literature
- Japanese Language and Literature
- Malayalam Language and Literature
- Sanskrit Language and Literature
- Tamil Language and Literature
- Urdu Language and Literature

PhD in Asian Studies (in Asian Cultures and Languages)

Concentrations same as MA

Dual Degree Program

- Master of Arts/Master of Public Affairs
- Master of Arts/MBA

Classics

Master of Arts

Concentrations depend on the students interest

PhD in Classics

- Ancient Philosophy
- Ancient History
- Classical Archaeology

Comparative Literature

Master of Arts

PhD in Comparative Literature

Economics

Master of Arts

- Macroeconomics
- Microeconomics
- Econometrics

Master of Science in Economics

Specializations same as MA

PhD in Economics

Specializations same as MA

English

Master of Arts

- *American Literature*
- *Bibliography and Textual Criticism*
- *Computers and English Studies*
- *Creative Writing*
- *English Language and Linguistics*
- *English Literature*
- *Ethnic and Third World Literatures*
- *Folklore, popular culture, and cultural studies*
- *Poetry and poetics*
- *Rhetoric*
- *Women, gender, and literature*
- *Medieval and Renaissance Literature*

PhD in English

Concentrations Same as MA

French and Italian

Master of Arts (French)

- *French Literature*
- *French Linguistics*
- *Romance Linguistics*

PhD (in French)

Concentrations same as MA

Note: Graduate courses in Italian may be counted toward degree in comparative literature w/Italian concentration

Geography

Master of Arts

- *Cultural Geography*
- *Cultural and Political Ecology*
- *Environmental Resources*
- *Physical Geography*
- *Urban and Regional Analysis*
- *Geographic Methods and Techniques*

PhD in Geography

- *Specializations same as MA*

Dual Degree Program

- *PhD/MS in Community and Regional Planning*

Germanic Studies

Master of Arts

- Literature
- Linguistics
- Pedagogy
- German Cultural Studies
- German with another Germanic Language

PhD in Germanic Studies

- Germanic Linguistics and Philosophy
- German literatures of various periods
- Scandinavian Languages and Literatures
- Dutch Language and Literature
- Yiddish Language and Literature

Government

Master of Arts

- American Politics
- Comparative politics
- Formal Theory
- International Relations
- Methodology
- Political Theory
- Public Law

PhD in Government

Specializations same as MA

History

Master of Arts

- Asian/African/Middle Eastern History
- European History
 - *Medieval*
 - *Early Modern*
 - *Modern*
- Latin American History
- United States History

PhD in History

Areas of Study same as MA

Latin American Studies

Master of Arts

PhD

- *Note: Concentrations can be any other academic area that offers Latin American content coursework (i.e. Anthropology, Government, History, Sociology, Public Administration, Literature, or Art History)*

Dual Degree Program

- *MA/Doctor of Jurisprudence (JD)*
- *MA/Master of Arts Communication Studies*
- *MA/MA with a major in Journalism*
- *MA/MA with a major in RTF*
- *MA/MBA*
- *MA/Master of Public Affairs*
- *MA/MS in Community and Regional Planning*

Linguistics

Master of Arts

- Sounds
- Syntax and Semantics
- Computational Linguistics
- Documentary Linguistics
- Sociolinguistics

Linguistic of Signed Languages

PhD in Linguistics

*Concentrations same as MA***Mexican American Studies**

Masters of Arts

*Concentrations vary based on students interest***Middle Eastern Studies**

Master of Arts (Middle Eastern Studies)

Master of Arts (Arabic, Hebrew, or Persian Studies)

- Language
- Linguistics
- Literature
- Cultural Studies

PhD in Arabic, Hebrew, or Persian Studies

- Language
- Linguistics
- Literature

Dual Degree Program

- *MA/Doctor of Jurisprudence (JD)*
- *MA/MA with a major in Journalism*
- *MA/MA with a major in RTF*
- *MA/MBA*
- *MA/Master of Public Affairs*
- *MA/MS in Information Studies*

Philosophy

Master of Arts, PhD

- Ancient Philosophy
- History and Philosophy of Science
- Philosophy of Cognitive Science
- Indian philosophy
- Philosophy of language
- Philosophy of law
- Philosophical logic
- Metaphysics
- Philosophy of mind
- Nineteenth-century Continental philosophy after Hegel

Psychology

Master of Arts

- Behavioral Neuroscience
- Sensory Neuroscience
- Cognition and Perception
- Clinical Psychology
- Developmental Psychology
- Individual differences and evolutionary psychology
- Neuroimaging
- Social and personality psychology

PhD in Psychology

*Specializations same as MA***Russian, East European, and Eurasian Studies**

Master of Arts

Dual Degree Programs

- *MA/JD*
- *MA/MA with a major in RTF*
- *MA/MBA*
- *MA/Master of Public Affairs*

Slavic Languages and Literatures

Master of Arts

Slavic Linguistics

- Slavic Literature and Cultures
- Applied Linguistics/pedagogy

PhD in Slavic Languages and Literatures

Areas of Study Same as MA

Sociology

Master of Arts

- Crime, Law, and Deviance
- Demography
- Development
- Education
- Family
- Gender
- Health
- Peace and Conflict
- Political Sociology
- Social Organizations
- Race & Ethnic Relations
- Religion
- Theory

PhD in Sociology

Concentrations same as MA

Spanish and Portuguese

Master of Arts

- Hispanic Literature
- Hispanic Linguistics
- Luso- Brazilian Literature
- Romance linguistics

PhD in Spanish and Portuguese

Concentrations same as above

Women's and Gender Studies

Master of Arts

Dual Degree Programs

- MA/MS in Information Studies

COLLEGE OF NATURAL SCIENCES

Astronomy

Master of Arts

PhD in Astronomy

Biochemistry

Master of Arts

- Drug metabolism
- Nutritive aspects of human disease
- Metabolic regulation
- Structure and function of enzymes
- Toxins, and contractile proteins
- Mechanism and regulation of protein biosynthesis
- Cloning, sequencing, and site- directed mutagenesis of enzyme- coding genes
- Enzymology of DNA repair and replication
- Biochemical taxonomy

PhD in Biochemistry

Specializations same as MA

Dual Degree Programs

- PhD in Biochemistry/MD

Biological Sciences

Master of Arts

- Ecology, Evolution, and Behavior
 - Behavior
 - Ecology
 - Evolution
 - Systematics
 - Genomics
- Microbiology
 - Bacteriology
 - Virology
 - Fungal biology
 - Microbial genetics and evolution
 - Microbial pathogenesis
 - Cell biology
 - Immunology
- Plant Biology
 - Ecology
 - Cell and Molecular Biology
 - Phycology
 - Physiology
 - Systematics and Evolution

PhD in Biological Sciences

Specializations same as MA

PhD in Microbiology

Plant Biology

Master of Arts

- Algal Physiology
- Plant biochemistry
- Cell biology
- Development
- Ecology
- Evolution
- Molecular Biology
- Natural Products Chemistry
- Photobiology
- Phycology
- Plant anatomy
- Plant biogeography
- Plant morphology
- Plant physiology
- Population biology

- Systematics
- Ultrastructure

PhD in Plant Biology

Specializations same as MA

Cell and Molecular Biology

Master of Arts

- *Bioinformatics and Computational Biology*
- *Cell and Developmental Biology*
- *Chemical Biology and Drug Discovery*
- *Molecular Genetics*
- *Neurobiology*
- *Structural Biology*

PhD in Cell and Molecular Biology

Dual Degree Program

- *PhD/MD*

Chemistry

Master of Arts

- Analytical Chemistry
- Biochemistry
- Inorganic chemistry
- Organic Chemistry
- Physical Chemistry

PhD in Chemistry

Concentrations same as MA

Computer Science

Master of Arts

Master of Science in Computer Science

PhD in Computer Science

Ecology, Evolution, and Behavior

Master of Arts

- Behavior
- Ecology
- Evolution
- Systematics
- Genomics

Human Development and Family Sciences

Master of Arts

PhD in Human Development and Family Sciences

Marine Science

Master of Science

- Fish physiology/ecology
- Ecosystem Dynamics
- Biogeochemistry

PhD in Marine Science

Specializations same as MA

Mathematics

Master of Arts

- Algebra
- Number Theory
- Analysis
- Topology
- Geometry
- Applied mathematics
- Probability and Statistics
- Numerical Analysis
- Actuarial Mathematics

PhD in Mathematics

Specializations same as MA

MA in Mathematics with Actuarial Focus

MS in Computational and Applied Mathematics

MS in Science

PhD in Mathematics

Specializations same as MA in Mathematics

PhD in Computational and Applied Mathematics

Nutritional Sciences

Master of Arts

- Molecular/Cellular Aspects of Nutrient Function
- Molecular/Cellular Approaches to Study of Nutrition & Diseases
- Nutritional Biochemistry
- Nutrient Requirements
- Nutrient Intakes & Health Assessment
- Nutrition Education
- Obesity
- Aging Nutrition & Immunology
- Cancer & Retinoids

PhD in Nutritional Sciences

Areas of Study same as MA

Physics

Master of Science in Applied Physics

Master of Arts

- Atomic, Molecular, and Optical Physics
- Classical Physics
- Nuclear Physics
- Statistical Mechanics and Thermodynamics
- Plasma Physics
- Condensed Matter Physics
- Nonlinear Dynamics
- Relativity and Cosmology
- Elementary Particle Physics

PhD in Physics

Areas of Study same as MA

Statistics

Master of Science in Statistics

- Mathematical Statistics
- Statistical Methodology
- Statistical Computation
- Probability

Textile and Apparel Technology

Master of Science in Textile and Apparel Technology

SCHOOL OF NURSING

Nursing

Master of Science, PhD

- Holistic Adult Health (Clinical Nurse Specialist)
- Adult Health (Administration Track)
- Adult Health (Teaching Track)
- Nursing Systems
- Parent-Child Nursing
- Public Health Nursing
- Family Nurse Practitioner
- Pediatric Nurse Practitioner

Dual Degree Program

- *MS in Nursing/MBA*

COLLEGE OF PHARMACY

Pharmacy

Master of Science in Pharmacy

- Medicinal Chemistry
- Pharmacology and toxicology
- Pharmaceutics
- Pharmacy administration
- Pharmacotherapy
- Pharmacy Practice

PhD in Pharmacy

Specializations same as MS

Doctor of Pharmacy (PharmD)

Dual Degree Program

- *PharmD/PhD in Pharmacy*

LBJ SCHOOL OF PUBLIC AFFAIRS

Public Affairs

Master of Public Affairs

- International Affairs
- Natural Resources and Environment
- Non-profit and Philanthropic Studies
- Public Management and Leadership
- Social and Economic Policy
- Technology, Innovation, & Information Policy
- Urban and State Affairs

Master of Global Policy Studies

- Security, Law, and Diplomacy
- International Trade and Finance
- Development
- Global Governance and International Law
- International Energy, Environment and Technology
- Regional International Policy
- Student-proposed specializations

PhD in Public Policy

Dual Degree Programs

- *MPAff/MA with a major in Advertising*
- *MPAff/MA with a major in Asian Studies*
- *MPAff/MBA*
- *MPAff/MA with a major in Communication Studies*
- *MPAff/MSE*
- *MPAff/MA with a major in Journalism*
- *MPAff/MA with a major in Latin American Studies*
- *MPAff/JD*
- *MPAff/MA with a major in Middle Eastern Studies*
- *MPAff/MA with a major in RTF*
- *MPAff/MA with a major in Russian, East European, and Eurasian Studies*
- *MPAff/MS in Community and Regional Planning*

SCHOOL OF SOCIAL WORK

Social Work

- Master of Science in Social Work
 - Clinical Social Work
 - Community and Administrative Leadership
- PhD in Social Work
- Dual Degree Program
 - *MS in Social Work/Master of Divinity*

INTERCOLLEGIAL PROGRAMS

Computational and Applied Mathematics

- Master of Science in Computational and Applied Mathematics
- Applicable Mathematics
- Numerical Analysis and Scientific Computations
- Mathematic Modeling and Applications
- PhD in Computational and Applied Mathematics
 - Areas of Study same as MS*

Medieval Studies

- PhD in Medieval Studies

Neuroscience

- Master of Science in Neuroscience
- PhD/MD in Neuroscience

Science and Technology Commercialization

- Master of Science in Science and Technology and Commercialization

Writing

- Master of Fine Arts
 - Fiction
 - Poetry
 - Screenwriting
 - Playwriting

PORTFOLIO PROGRAMS

Portfolio programs are non-degree programs that allow students to obtain credentials in a cross-disciplinary academic area while completing a master's or doctor's degree. For more information visit www.utexas.edu/ogs/docport/.

Current Portfolio Programs

- African and African American Studies
- Cellular and Molecular Imaging for Diagnostics and Therapeutics
- Communication, Information, and Cultural Policy
- Cultural Studies
- Dispute Resolution
- Gerontology
- Imaging Science
- Indigenous Studies
- Integrated Watershed Science
- Interdisciplinary European Studies
- Mexican American Studies
- Museum Studies
- Nanoscience and Nanotechnology
- Nonprofit Studies
- Societal Impacts of Science and Technology
- Study of Religion
- Sustainability
- Women's and Gender Studies

Reminders

- Degree options and requirements DO change so we recommend using this list as a starting point and then consulting with graduate advisors and coordinators for the individual degree programs to get the most up-to-date details.
- Visit www.utexas.edu/ogs/degree_programs/ for program descriptions and contact information for graduate advisors and coordinators.
- Make an appointment at the **Career Exploration Center** for individualized assistance with graduate school decisions and the graduate school application process.

Updated November 2008
